

# R.T.C. B.ED. COLLEGE

P.H.E.D., BUTI, RANCHI-09

## Research Policy

Research policy of the colleges focuses on promoting a robust research culture, strengthening pedagogical practices, and encouraging innovation among faculty and students.

For the institution, Educational Research is important because it improves teaching and learning practices, reforms educational policies, addresses educational challenges, promotes innovation, ensures evidence-based decision-making, and contributes to the broader body of knowledge. R.T.C. B.Ed. College is taking much interest and initiative to support and encourage them to continue their Ph.D. work while in service.

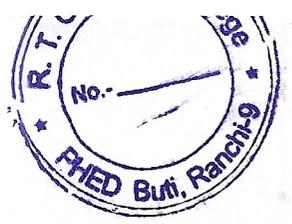

### **Objectives:**

1. To help educators to refine their teaching methods and create more engaging and effective learning environments through research.
2. To help educational institution to implement evidence-based practices that promote student achievement and educational equity by relying on research.
3. To identify and address critical challenges arising in the education system.
4. To investigate issues such as achievement gaps, inclusiveness, student motivation, school climate, classroom management, special education, and the integration of technology in education and to develop interventions, strategies, and programmes to overcome obstacles and improve educational outcomes.
5. To encourage innovation and the development of new ideas in teaching and learning by exploring emerging trends, theories, and technologies in the same.
6. To challenge and encourage educators to think outside the box to improve educational practices by extending the boundaries of knowledge, and by fostering creativity through research.

### **Guidelines:**

Research Committee will be responsible for conducting all the activities related to research like study leave, providing infrastructural facilities etc. for the Research Support and for the publication of articles, books etc.

- ❖ Grant to present papers in national and international conferences.
